

Attn: Clubs

Club Page sponsorships are now available!

Your club can get \$150 per sponsorship spot or more from the INFC website! Your club page can create some extra revenue for your club. Go to the clubs page and at the bottom print off the Club Sponsor Agreement and the Ad/Logo Sheet to have your sponsor fill out for you.

Think of how valuable this sponsorship can be for local neighborhood businesses. When games are played at home your town has tons of visitors temporarily there to eat, play, and have a good time. Local restaurants, touristy attractions, sports affiliated businesses, and local supporters could benefit greatly from this opportunity. When someone goes to the club page for an out of town visit to find directions to field locations, mascot or color information for rallies, what the weather will be like at the field on game day, or what to do or where to eat while they are in town; they will be directly exposed to the sponsors ad, logo, or coupon for a team visit, etc.

For each sponsor attach a Club Sponsorship Agreement with an Ad/Logo Sheet along with payment to Indian Nations Football Conference 1005 S. Main St. Broken Arrow, OK 74012 Attn: Club Sponsorship. In the top right corner of the Club Sponsorship Agreement and Ad/Logo Sheet coordinate numbers to link the two, for ex: 090001 sponsor #1, 090002 sponsor #2.

First Design if needed will be done for no charge with minor revisions. If additional design work is needed additional charges will apply.

For help in how to sell and market your club page sponsorships or any questions contact:
